RESULTS

Due to patient confidentiality we are unable to discuss your results over the phone. The practice nurse will contact you via phone to advise you to make an appointment once results have been received. Alternatively we will send a letter as a last resort. Please ensure we have your correct contact details.

PATIENT FEEDBACK

We welcome your feedback. Please complete our suggestion forms located in our waiting room or ask to speak to our Office Manager. If you are not satisfied with the outcome you can ask to speak to the Practice Manager.

If you have a complaint and it's not adequately resolved in the first instance, you are welcome to contact:

BE SUN

SMART

SLIP, SLOP, SLAP

Don't forget to be

SUN SMART

this scorching summer!

Listed below are a few tips to stay safe and protected in the blistering months ahead.

- Wear sunscreen whenever directly in the sun. If you're swimming it's best to use water resistant sunscreen (50+).
- Wear a sun safe hat that protects the whole face, head, back of neck and ears (e.g. bucket/ broad brimmed/ legionnaire-style hats)
- Wear close fitting or wrap around sunglasses to protect your eyes from the harsh UV rays.
- Slip on some long clothing. It only has to be a light fabric but with a close weave to protect your skin.
